LABOR TROUBLES

MARK MAY DAY

(Associated Press Cable.)

PARIS, May 1.—In nearly every department in France the usual May Day disturbances have occurred.

Troops were called out here today to preserve order and the collisions were frequent and many paraders were injured. Mobs formed in procession and flaunted the red flag. The police were helpless.

Thousands Are Out.

NEW YORK, May 1.—From all over the country come reports of labor troubles due to the usual first of May demonstrations by unions for raising of wages or shortening of hours of labor. In this city 10,000 union men went on strike today to enforce demands.

Closed Shop.

CHICAGO, May 1.—Demanding the recognition of the union, the closed shop and an increase in wages, 12,000 workmen in various trades went on strike here today. A number of large buildings were tied up.

Wages and Hours.

MILWAUKEE, May 1.—Several hundred painters and cigarmakers went on strike in this city today. The painters ask for an increase in wages, while the cigarmakers demand a shortening of hours.

Plumbers Want More.

PHILADELPHIA, May 1.—To enforce a demand for an increase in wages, which was refused by members of the Master Plumbers' Association, 500 plumbers went on strike here today and tied up the work on a number of large buildings.

MEXICAN REBELS

SUFFER DEFEAT

MAZATLAN, May 2.—Revolutionists made an attack on this city in force today, but after some hard fighting they were repulsed, leaving a number of dead behind.

SAN ANTONIO, May 1.—Word has been received here that a battle took place today at Colima, Nueva Leon, between the Mexican regulars and rurales, on one side, and the rebels, in which the latter were defeated.

DOPESTER SHOWS FIGHT

Chief of Detectives McDuffie declared yesterday that he had caught one Ah Sung, a Chinese, in the act of selling a small quantity of opium to an applicant, Non Ming, the transaction taking place in a specially fitted room near one of the local Chinese theatres. Ah Sung stoutly maintained his innocence.

The officers had been tipped off that Sung had been peddling the pernicious pills and a brief watch set up on the place indicated that an arrest was justified.

Confronting District Magistrate Lymer this morning was a motley collection of paraphernalia used in the manufacture of dreams. A small pair of scales for weighing, a partly used tin of opium, the ashes from a pipe, and all was heightened by a vivid description of a room in which numerous bunks had been installed for the comfort and convenience of the patrons.

It was declared that money had actually passed. The court listened to a plea for leniency from Attorney Chas. Chillingworth, representing the defendant. He then assessed a minimum penalty of fifty dollars and costs.

SIMPLE WASH CURES ECZEMA

Why Salves Fail While a Simple L.

quid Has Accomplished Thousands of Cures.

It is now thoroughly established among the best medical authorities that eczema is purely a skin disease, due to a germ, and curable only through the skin. It is not a blood disease at all; in fact, thousands of people suffer with skin disease and are perfectly healthy otherwise, and thereby prove they have no diseased blood.

Smeary salves cannot reach the germs because they do not penetrate the skin. The only way to reach the germs is by means of a penetrating liquid.

Such a liquid can be obtained by simply mixing ordinary oil of wintergreen with thymol glycerine and other healing agents. This compound, known as D. D. D. Prescription, stops the itch instantly—and the cure all appear to be permanent. In fact, it took thousands of cures, case after case, before the best scientific authorities were convinced of the absolute merit of this remedy. D. D. D. Prescription kills the germs in the itching skin. Its effect is seen within one minute after the first application. We especially recommend D. D. D. Soap in connection with the treatment.
